

Bertelsmann and RTL Group select OneStream for Group Financial Reporting

June 11, 2025

Frankfurt, Germany – June 11, 2025 – [OneStream](#), the leading enterprise Finance management platform that modernizes the Office of the CFO by unifying core financial and operational functions – including financial close, consolidation, reporting, planning and forecasting – today announced that Bertelsmann, the international media, services, and education company, and RTL Group, the leading entertainment company across broadcast, streaming, content and digital, have selected OneStream to modernize and unify its group financial processes.

Bertelsmann and RTL Group plan to deploy OneStream's intelligent finance platform to streamline group financial close, consolidation, and reporting across its diverse business units. The move supports Bertelsmann's goal to digitize and standardize financial operations while increasing transparency, agility, and scalability.

"With OneStream, we gain a modern platform that enables smarter, faster financial processes across our global organization," said Rolf Hellermann, Chief Financial Officer of Bertelsmann. "The flexibility and depth of the OneStream platform will support our long-term goals while simplifying our financial IT landscape."

OneStream offers a unified, extensible solution that empowers the various finance functions to focus on value-added analysis rather than manual processes and is expected to play an integral part of Bertelsmann's AI journey.

"We are proud to welcome Bertelsmann to the OneStream community," said Matt Rodgers, EVP, EMEA at OneStream. "This partnership reflects our continued momentum in the German region and our commitment to supporting Germany's most prominent enterprises in achieving digital finance excellence."

About OneStream

OneStream is how today's Finance teams can go beyond just reporting on the past and Take Finance Further by steering the business to the future. It's the leading enterprise Finance platform that unifies financial and operational data, embeds AI for better decisions and productivity, and empowers the CFO to become a critical driver of business strategy and execution.

We deliver a comprehensive cloud-based platform to modernize the Office of the CFO. Our Digital Finance Cloud unifies core financial and broader operational data and processes and embeds AI for better planning and forecasting, with an extensible architecture, so customers can adopt and develop new solutions, achieving greater value as their business needs evolve.

With over 1,600 customers, including 17% of the Fortune 500, more than 300 go-to-market, implementation, and development partners and over 1,500 employees, our vision is to be the operating system for modern Finance. To learn more, visit [onestream.com](#).

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical facts contained in this press release may be forward-looking statements. In some cases, you can identify forward-looking statements by terms such as "may," "will," "should," "expects," "plans," "anticipates," "could," "intends," "targets," "projects," "contemplates," "believes," "estimates," "predicts," "potential" or "continue" or the negative of these terms or other similar expressions. Forward-looking statements contained in this press release include, but are not limited to, statements regarding the use of the OneStream Platform by Bertelsmann and RTL Group. Forward-looking statements are subject to known and unknown risks, uncertainties, assumptions and other factors. Some of these risks are described in greater detail in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2025 and the other filings OneStream makes with the Securities and Exchange Commission from time to time. It is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause our actual results to differ materially from those contained in any forward-looking statements we may make. These factors may cause our actual results, performance or achievements to differ materially and adversely from those anticipated or implied by our forward-looking statements. Furthermore, if our forward-looking statements prove to be inaccurate, the inaccuracy may be material. In light of the significant uncertainties in these forward-looking statements, you should not rely on these statements or regard these statements as a representation or warranty by us or any other person that we will achieve our objectives and plans in any specified timeframe, or at all. We undertake no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
